I wanted to share about an event I just attended called, *Sacred Land, Shared Futures: Cities + Congregations for Housing*. Basically this event was organized by Rev Penny, to teach about the opportunities SB4 could bring to our community. One very surprising thing came up, most folks in Sunnyvale don't know that we passed a Safe Parking Ordinance. So the question is do you know a faith based organization that is interested in Safe Parking?

Be well, Angela Rausch, Chair of Livable Sunnyvale
